Hello Friend:

You remember that smile, right? That guy who connected with you? That guy who went the extra mile and made it look effortless? Yes, Vincent Lee was unforgettable that way, and it is his unforgettable spirit and love for his fellowman that has since spurred the formation of The VLee Gives Foundation and its signature fundraising event, The VLee Gives Memorial Golf Tournament being held this year on Friday, May 17th at The Links at Galloway Golf Course.

VLee is not only remembered for leading the largest janitorial franchise in the history of ServiceMaster Clean, with more than 800 employees across 14 states, but for his significant work in the community with the men of Kappa Alpha Psi Fraternity, fellow cohorts of Leadership Memphis, and a multitude of other business and civic institutions. A man of great responsibility, positive attributes, and many accomplishments, VLee never lost sight of his humble beginnings where he endured the instability of a mother battling years of alcoholism and his own struggle with drug abuse. Despite these obstacles, VLee became a bright light of hope and purpose, celebrating nearly 20 years of sobriety before his untimely death.

VLee shared his testimony of grace and mercy, of hard work and determination, to anyone with a listening ear and an open heart. It was his lifelong desire to help others in need to overcome their own addictions and lead a positive life. Then, when faced with a cancer diagnosis, VLee donated his time, talent, and treasure to awareness programs in hopes that they would reach the less fortunate and encourage them to seek early detection and treatment.

The VLee Gives Foundation is dedicated to keeping this legacy alive and invites you to be a part of this special calling. Give your time, (golf) talent, and treasure to the VLee Gives Memorial Golf Tournament by serving as a sponsor for one of only two golf contests or one of the 18 holes of golf. Not only will you receive a VIP golf team, logo placements, and special recognitions for your organization, as well as enhanced brand recognition, a showcasing of your corporate citizenship, an increase in visibility, and greater exposure, you will be rewarded with the knowledge that you have helped those recovering from addiction and those affected by pancreatic cancer.

Join us, by serving as a sponsor of this event, as we strive to live up to the noble challenge VLee left for us to love our fellow man and to earnestly give back to the community by helping those in need. We're counting on you.
